JUDGMENT

- [1] THOMAS, J (Ag.): This is an action brought by way of a claim form in which Joan Etienne, the claimant, alleges that the defendant, Renneth Alexis, wrongfully assaulted her by placing a nozzle of a gun to the left side of her head.
- [2] The claimant's case is that on December 5th 2009, at about 4:35 p.m. the claimant was standing on the public road with some friends at Savanne Paille when the defendant assaulted her by approaching her in a threatening manner pointing a pistol to her head.
- [3] The claimant avers that she feared for her life and that after she was released by the defendant she retreated to her vehicle. It is the claimant's further averment that the matter was reported to the police on the said day and the defendant was charged with intimidation and possession of a firearm and ammunition and found guilty on both counts in the Magistrates Court.
