RULING: (on written submissions)

- [1] Stephenson J: The parties to this matter were each ordered to file written submissions with authorities on their position on the applicant/respondent's application for leave to file her answer out of time.
- [2] I have reviewed the written submissions with authorities filed by both the applicant and respondent in the matter as it regards the respondent's application for leave to file and answer to the petition out of time filed here in on the 29 January 2015 and I am of the view that the applicant has persuaded the court on a balance of probabilities that she has a triable issue to be heard by this court.
- [3] I have formed the view that the applicant must be given an opportunity to be heard in the matter, that she ought to be given an opportunity for her side of the matter to be placed on record, further, that the allegations made in the petition by the Petitioner are serious one which she ought to be able to respond to.
